

OPTIRAS MARITIME PTE LTD

A PRESENTATION FOR OUR COMPANY SERVICES

optirasmaritime.com

WHO WE ARE

Optiras Maritime Pte Ltd was formed in Singapore and managed in short time to structure and control a network of experienced engineers, and well known professionals.

Based in Singapore operating internationally.

Optiras Maritime Pte Ltd offers an impressive range of modern, efficient consultancy services to the international maritime world.

OUR GOAL

The qualitative yet down to earth approach of all topics and problems related to marine profession and activities and to the maritime and littoral environment.

Optiras Maritime Pte Ltd professional staff and business ethics are committed to:

- Producing the most effective services/solutions to meet customers' requirements.
- Providing quality services
- Ensuring on-time delivery
- Completing follow-up service and support to ensure optimum performance

Our vision is the strong enhancement - through the provided services and solutions - of marine safety regarding all of the clients; this can also be translated in the protection of crew and workers, the support of ship and cargo, and the preservation of the quality of the environment.
